

# Heliski Premium – 3 Drops in Valgrisenche

Three runs of total freedom

AN EXCLUSIVE ESCAPE INTO HIGH-MOUNTAIN ELEGANCE

Heliskiing in Valgrisenche is a must for all powder-lovers. This secret Italian valley, hidden behind the Tarentaise, just behind the French border, is a real treasure known only to a select few.

Legendary descents await you in this totally wild environment, with peaks of over 3,000m. Low temperatures, linked to a microclimate from North-facing slopes, allow skiing long after snowfalls. Enjoy unique descents from these peaks in this magnificent valley.

In short, this is a Paradise for heliskiing.

Depart by helicopter from the Col du Petit Saint Bernard and fly up to the summit. The extraordinary powder day begins now, with almost 3,000m of descent to ski. Enjoy without holding back! Pure powder satisfaction guaranteed...

Private experience – Price per person (based on a group of 4): €1,495
