Polar Yacht & Ski Touring Experience in Norway

Ski the Fjords and Relax on Board in a Polar Setting

LIVE A UNIQUE ADVENTURE: POLAR YACHT & SKI TOURING IN NORWAY!

Step aboard a truly exceptional vessel: a former polar exploration ship transformed into an intimate cruise yacht, offering 6 private cabins each with ensuite bathroom. After exhilarating days of ski touring, unwind in the sauna, soak in the Norwegian hot tub, or simply enjoy the panoramic views of the fjords from the deck.

Guided by three UIAGM-certified mountain experts, your program is tailored to your level, your ambitions, and the weather conditions. Ski across hidden fjords, climb from one side and let the yacht pick you up on the other – combining adventure, comfort, and safety.

Every day brings a perfect blend of ski touring, discovery, and relaxation, set in a breathtaking Arctic environment.
